You must supply a cashier's check, certified check or money order made out to Pennington County Treasurer **once we calculate the amount and give you the amount due. Please note...the pro-rated amount changes every month. Once we receive and look over ALL the information required, we will figure your costs. We will send a final email requesting all documents and fees. We recommend using Fedex or UPS (a private carrier) to ship all final documents. Once your registration has been completed by us with the county, the services fee (usually \$30-\$50 plus tax) will be charged to your postage/services fund. Plates and registrations will usually be obtained within one week after receiving your complete mailed information, titles, and payment to Pennington County Treasurer at our office. If you have clear title, your SD title comes to your PMB address in about a month.**
